MEMORANDUM FOR: Director of Data Processing

ATTENTION : Executive Officer, ODP

THROUGH : Chief, Batch Systems Branch
Chief, Systems Programming Division
Deputy Director for Processing, ODP

25X1 FROM :
Batch Systems Branch, SPD

SUBJECT : Assistance to the Defense Communications Agency

We request permission to provide the following assistance to the Defense Communications Agency as provided for in ODP Instruction 7-5-77:

- a. Agency Assisted:
Defense Communications Agency
Command and Control Technical Center
Washington, DC 20301
- b. Description of Assistance: DCA has requested that we provide them with a copy of our printed output classification enhancement to JES3. This software provides a service that is not currently offered by a vendor.
- c. Location of Assistance: NA.
- d. Component Involved: ODP/P/SPD/BSB.
- e. Basis for Activity: DCA processes classified defense information on their batch systems. They need the capability to mark their printed output with the appropriate security designations to comply with Government regulations.
- f. Financial Cost: Approximately \$30 of computer time will be required to create the tape.
- g. Manpower: Approximately one hour should be required for a systems programmer to prepare the tape.
- h. Person to Contact for Additional Information:
